FAIRWAY TO LIFE Scores an "Ace in the Hole" for the University of Maryland Marlene and Stewart Greenebaum Cancer Center

Volunteer Planning Committee surpasses fundraising goal one year early

A goal of raising \$500,000 over five years may seem lofty for some, but for FAIRWAY TO LIFE'S planning committee, it was exceeded... a year early! Chaired by Marie Bowers, the 10-person group has helped generate over \$545,000 since the event became affiliated with UMGCC. All proceeds from the tournament have helped to open a Breast Care Center, housed in the Roslyn and Leonard Stoler Pavilion of the UMGCC, dedicated to addressing the many needs of families who are facing a diagnosis of breast cancer. This year's tournament was held on Monday, September 26 at Hunt Valley Golf Club. For the third year in a row, First Lady of Maryland, Kendel S. Ehrlich was the Honorary Chair. This year's Progress Award recipient was Victoria J. Cerami. ***Special thanks to the event's sponsors:***

Presenting Sponsor

Trigen – Baltimore Energy Corporation

Eagle Sponsors

Kaiser Permanente
Marie and Michael Bowers
Mitchell & Best Homebuilders

Cocktail Sponsors

Herbert Bearman Foundation
Karis and Steve Colnitis
